MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Proposed Revision of R 60-110, RELEASE OF CLASSIFIED
DEFENSE INFORMATION TO FOREIGN GOVERNMENTS
(Job No. 2294)

REFERENCE : Memorandum of 15 April 1959, subject as above, from
Chief, I&R to the Deputy Director (Support)

1. Attached is the revised draft of the subject regulation which the referent memorandum stated this office would prepare. Additions to and deletions from the previous draft are indicated.

2. On 17 April your office telephoned to request that the redraft include any portions of the following publications which a review should indicate as being pertinent: R 10-6, paragraph K.(5); R 10-12; R 50-7; R 50-13; and R 110-50-7. Our review indicates the following:

a. R 10-6, paragraph K.(5) - Since this paragraph speaks of dissemination of information, which we understand to be distribution of intelligence or information to U. S. agencies, non-governmental organizations or individuals, but not to foreign recipients, it does not appear to affect or be affected by R 60-110.

b. R 10-12 - This regulation concerns release of intelligence material to the Congress. Should a situation arise in which a member of the Congress would wish to pass information received from the Agency to a foreign government, it is expected that he would request the Agency's concurrence, at which time the provisions of R 60-110 would be relevant. There is no direct connection between the two regulations, however, and no action regarding R 10-12 seems necessary because of R 60-110.

c. R 50-7 - Paragraphs C.(7) and E. should be rescinded by R 60-110. The remainder of the regulation, since it concerns dissemination of information, is not considered to affect or be affected by R 60-110.

d. R 50-13 - This regulation should be rescinded in its entirety by R 60-110.

e. R 110-50-7 - Paragraph A.(3)(a)(2) should be rescinded by R 60-110. Otherwise the regulation, having to do with dissemination, does not directly affect R 60-110.

3. As you may know, the Director has been requested by the Inter-departmental Committee on Internal Security to provide certain information in connection with the Presidential Directive of 23 September 1958. This report is to be submitted by 15 August 1959. Publication of a regulation containing procedures related to the Directive is a necessary first step. Consequently, we would appreciate your recommending coordination as promptly as possible. Thinking that it might contribute to some saving of time, we are sending to the Deputy Director (Intelligence) as well as to the Director of Security information copies of this memorandum and advance copies of the attached redraft.
